ABOUT ME

I always strives to develop my skills and gain more . Since February 2020, I started working as a freelance graphic designer at the freelancer.com platform and got 5 stars reviews from all of my clients,This is because my priority is always to satisfy the customer with work even if that this requires more work, and gained experience in dealing with clients from all over the world.

- The biggest job I got was in a contest for **IBM Company** and I got two places in it the second and third.

You can see the opinions of my clients on my profile
